

Tournament Sponsorship

Various sponsorship options exist providing you or your company the opportunity to help Rotary support many worthwhile charities, education scholarships, community outreach, international health initiatives and humane services.

You can do this while informing a highly desirable audience of local business owners, residents and golfers of your special position in the community. They will see your name affiliated with the largest service organization in the world. It will reinforce your name as a leader and corporate good citizen who offers valuable products and services for them and their families.

Select from the options below and let your local Rotarian know your choice by **June 5th, 2024**
